

## BOUSTEAD PLANTATIONS BERHAD (1245-M) CATEGORY CODE

Description	Sub-Category		Activity		Full Code	Remarks
	Code	Description	Code	Description		
Engineering	100	Civil Engineering	01	Road & Pavement & Drainage	1101	Construction of road, field road, resurfacing, grading and repair. Construction or repair drains, culverts, desilting and deepening of drainage and rivers.
			02	Estate Civil & Structural Works	1102	Precast concrete, reinforced concrete and structural steel works (e.g. bridges, water treatment plant, ramps, beams, fence) and related construction and repair.
			03	Piling	1103	Installation of all types of piling (e.g. sheet piles, precast concrete piles, bore piles etc.).
			04	Earth Work	1104	Project site preparation, soil cutting, filling and levelling and effluent pond construction.
			05	Building & Plant	1105	Construction, renovation, restoration and maintenance buildings and plants using cast system, formwork, concrete or masonry work, wood or metal roof trusses and frames (e.g. houses, office, store, surau, creche, garage, clinic etc.).
			06	Steel Frame Building & Industrial Plant	1106	Mill building and industrial plant.
			07	Mill Civil & Structural Works	1107	Reinforced concrete and steel structural works (e.g. complete civil works for new mill, machinery foundations, mill loading ramp, retaining wall, mill plant upgrading etc.).
			08	Specialize Civil Works	1108	Land survey, soil investigation, underground water drilling (tube well) and geophysics studies, water proofing.
			99	General	1199	Other civil engineering works not mentioned in the category codes.
	200	Mechanical Engineering	01	Mill Plant & Machinery	1201	Fabrication, installation, maintenance and repair of mill plant & machinery (e.g. thresher drum, cages, steel tank, silo, chimney, cyclone, conveyor, steam, water and gas piping system etc.).
			02	Pressure Vessels	1202	Fabrication, installation, maintenance and repair of sterilizer, back pressure receiver, vacuum dryer, vacuum dearato and pressure sand filter.
			03	Boiler	1203	Fabrication, installation, maintenance and repair of boiler.
			04	ESP System	1204	Supply, install, repair and maintenance of ESP system.
			05	Steam Turbine	1205	Supply, install, repair and maintenance of steam turbine.
			06	Diesel Genset	1206	Supply, install, repair and maintenance of diesel genset.
			07	Decanter	1207	Supply, install, repair and maintenance of decanter.
			08	Weighbridge	1208	Supply, install, repair and maintenance of weighbridge.
			09	Sludge Separator / Oil Purifier	1209	Supply, install, repair and maintenance of sludge separator / oil purifier.
			10	Screw Press	1210	Supply, install, repair and maintenance of screw press.
			11	Vibrating Screen	1211	Supply, install, repair and maintenance of vibrating screen.
			12	Overhaed Crane / Hoist	1212	Supply, install, repair and maintenance of overhead crane / hoist.
			13	Ripple Mill	1213	Supply, install, repair and maintenance of ripple mill.
14	Biogas Plant	1214	Supply, install, repair and maintenance of biogas plant.			
15	Gas Engine	1215	Supply, install, repair and maintenance of gas engine.			
16	Hydraulic System	1216	Supply, install, repair and maintenance of hydraulic system.			
17	Effluent Mixer & Aerator System	1217	Supply, install, repair and maintenance of effluent mixer and aerator system.			
18	Fire Fighting System & Fire Extinguisher	1218	Installation, maintenance and repair of fire fighting system and fire extinguisher.			
19	Raw Water Treatment System & Piping	1219	Installation and maintenance of raw water treatment system.			
20	Effluent Tertiary System	1220	Installation, maintenance and repair of effluent tertiary system.			

			21	Effluent Dewatering System	1221	Installation and maintenance of effluent dewatering system.
			99	General	1299	Other mechanical engineering works not mentioned in the other category codes.
	300	Electrical Engineering	01	Low Voltage Electrical Installation	1301	Limited to domestic electrical installation, maintenance and repair.
			02	High Voltage Electrical Installation	1302	Mill electrical installation and repairs.
			03	Sound System	1303	Installation, maintenance and repair of sound system.
			04	Security Systems	1304	Installation, maintenance and repair of security system, CCTV and etc.
			05	Lightning Protection System	1305	Installation, maintenance and repair of lightning protection system at mills
			06	Mill Automation & Control System	1306	Installation, maintenance and repair of automation and control system (e.g. sterilizer automation, CEMS, boiler and BPR controls, screw presses APRC system, etc.).
			07	Air Conditioning	1307	Installation, maintenance and repair of air conditioning system.
			99	General	1399	Other electrical engineering works not mentioned in the other category codes.
Estate	100	Land Preparation	01	New Planting to Oil Palm - Coastal	2101	Land preparation from virgin area to oil palm in coastal area.
			02	New Planting to Oil Palm - Inland	2102	Land preparation from virgin area to oil palm in inland area.
			03	New Planting to Oil Palm - Peat	2103	Land preparation from virgin area to oil palm in area with peat soil.
			04	Replanting Oil Palm to Oil Palm - Coastal	2104	Land preparation from oil palm to oil palm in coastal area.
			05	Replanting Oil Palm to Oil Palm - Inland	2105	Land preparation from oil palm to oil palm in inland area.
			06	Replanting Oil Palm to Oil Palm - Peat	2106	Land preparation from oil palm to oil palm in area with peat soil.
			99	General	2199	Other replanting works not mentioned in the other category codes.
	200	Field Works	01	FFB Harvesting	2201	FFB harvesting works.
			02	Loose Fruit Collection	2202	Loose fruit collection works.
			03	Pruning	2203	Pruning works.
			04	Manuring	2204	Manuring works.
			05	Weeding	2205	Weeding works.
			06	Grass Cutting	2206	Grass cutting works.
			07	EFB Stacking	2207	EFB stacking works.
			08	Establishment & Maintenance of Nursery	2208	Establishment and maintenance of nursery.
			09	Pest & Disease Control	2209	Pest and disease control works.
			99	General	2299	Other field works not mentioned in the other category codes.
	300	Transportation	01	Internal Transportation - FFB	2301	Internal FFB transportation works.
			02	Internal Transportation - EFB	2302	Internal EFB transportation works.
			03	External Transportation - FFB	2303	External FFB transportation works.
			04	External Transportation - EFB	2304	External EFB transportation works.
			05	CPO Transportation	2305	CPO transportation works.
			06	PK Transportation	2306	PK transportation works.
			99	General	2399	Other transportation works not mentioned in the other category codes.
		<b>Sub-Category</b>		<b>Activity</b>	<b>Full Code</b>	<b>Remarks</b>
<b>Description</b>	<b>Code</b>	<b>Description</b>	<b>Code</b>	<b>Description</b>		
Supply	100	Engineering Related Supply	01	Laboratory Equipments	3101	Supply of lab equipment.
			02	Process & Lab Chemicals	3102	Raw water treatment chemicals, boiler water chemicals and laboratory chemicals.
			03	Tool & Spares	3103	Supply tools and general spares.
			04	Gearboxes	3104	Supply gearbox.
			05	Industrial Electrical Motor	3105	Supply industrial electrical motor.
			06	Industrial Pump	3106	Supply industrial pump.
			07	Industrial Fan	3107	Supply industrial fan.
			08	Fire Fighting Equipment	3108	Supply of fire fighting equipment (e.g. fire extinguisher, hose reel etc.).
			09	Safety Equipment & PPE	3109	Supply of safety equipment and PPE.
			10	Fuel and Lubricants	3110	Supply of fuel and industrial lubricants
			99	General	3199	Supply of engineering-related items not mentioned in the other category codes.
	200	Estate Related Supply	01	Oil Palm Seedling	3201	Supply of oil palm seedling.
			02	Cover Crop Seed	3202	Supply of cover crop seed.
			03	Tools & Equipment	3203	Supply of tools and equipment for estate-related works (e.g. sickle, blower etc.).
			04	Material	3204	Supply of estate-related materials (e.g. mulch, glove, PPE etc.).
			99	General	3299	Supply of estate-related items not mentioned in the other category codes.
	300	Fertilizer	01	Fertilizer - Manufacturer	3301	Manufacture (own or contract) and supply of all types of fertilizers.

			02	Fertilizer - Direct Importer / Distributor	3302	Direct import, distribute (sole or authorized) and supply of all types of fertilizers.
			03	Fertilizer - Trader	3303	Trade and supply of all types of fertilizers.
			99	General	3399	Supply of fertilizers not mentioned in the other category codes.
	400	Chemical	01	Chemical - Manufacturer	3401	Manufacture (own or contract) and supply of all types of chemicals.
			02	Chemical - Direct Importer / Distributor	3402	Direct import, distribute (sole or authorized) and supply of all types of chemical.
			03	Chemical - Trader	3403	Trade and supply of all types of chemicals.
			99	General	3499	Supply of chemicals not mentioned in the other category codes.
	500	Fuel & Lubricants	01	Fuel & Gas	3501	Supply of fuel (e.g. petrol, diesel etc.) and gas.
			02	Oil & Lubricants - Estate	3502	Supply of lubricants for estate use (e.g. lubricants for agricultural vehicles etc.)
			03	Oil & Lubricants - Mill	3503	Supply of lubricants for mill use (e.g. lubricants for genset etc.)
			04	Skid Tank	3504	Supply of skid tank.
			99	General	3599	Supply of fuel and lubricant-related items not mentioned in the other category codes.
	600	Vehicle	01	Agricultural Vehicle	3601	Supply of agricultural vehicle (e.g. tractors, badang, implements etc.).
			02	Non-Agricultural Vehicle	3602	Supply of non-agricultural vehicle (e.g. motorcycle, ATV, bus, pickup etc.).
			03	Vehicle Spare Parts & Accessories	3603	Supply of vehicle spare parts and accessories.
			04	Tyre & Battery	3604	Supply of tyre and battery.
			99	General	3699	Supply of vehicle and vehicle-related items not mentioned in other category codes.
	700	Administrative	01	Reading Materials	3701	Supply of reading material (e.g. newspaper, books, journal etc.).
			02	Stationery	3702	Supply of stationery items (e.g. paper, pen, staplers etc.)
			03	Office Equipment	3703	Supply of office equipment (e.g. shredder, telephone etc.).
			04	Furniture	3704	Supply of furniture (e.g. table, chair, carpet etc.).
			05	Food & Beverages	3705	Supply of food and beverages (e.g. mineral water, biscuits etc).
			06	Tools & Equipment	3706	Supply of tools and equipment for administrative works (e.g. brooms, ladder, plates etc.).
			07	Material	3707	Supply of material for administrative works (e.g. cleaning chemicals, tissues etc.).
			08	Sports	3708	Supply of sports-related items (e.g. ball, net etc.).
			09	Music	3709	Supply of music-related items (e.g. speaker, PA system etc.).
			10	Photography	3710	Supply of photography related items (e.g. camera, lens etc.).
			11	Gift & Souvenirs	3711	Supply of gift and souvenirs.
			12	Telecommunication	3712	Supply of mobile phone and accessories
			13	Uniform	3713	Supply of Uniform
			99	General	3799	Supply of administrative items not mentioned in other category codes.
	800	IT	01	Server	3801	Supply of server.
			02	Printer	3802	Supply of printer.
			03	PC & Laptop	3803	Supply of PC and laptops.
			04	Accessories	3804	Supply of IT accessories (e.g. mouse, speaker etc.).
			05	Software	3805	Supply of software (e.g. Office 365 etc.), inclusive license renewal and software key.
			99	General	3899	Supply of IT-related items not mentioned in other category codes.
Service	100	Engineering Related Service	01	Engineering Consultancy	4101	Provide various engineering consultancy services.
			02	Visiting Engineer	4102	Provide visiting engineer services.
			03	Non-Destructive Test (NDT)	4103	Provide non-destructive test (ND) services.
			04	Lab Services	4104	Engineering related lab services (e.g. effluent, dust etc.).
			05	Calibration	4105	Provide calibration services.
			06	Scrap Iron & Items	4106	Buy scrap iron and item.
			07	Mill By-Product	4107	Buy mill by-product.
			08	Schedule Waste	4108	Disposal of Schedule Waste
			99	General	4199	Engineering related service not mentioned in other category code.
	200	Estate Related Service	01	Agronomic Consultancy	4201	Agronomic-related consultancy services.
			02	Estate Consultancy	4202	Non-agronomic-related consultancy (e.g. environmental study) services.
			03	Agricultural Equipment	4203	Maintenance and repair of agricultural equipment.
			04	Pest Control	4204	Pest control services.
			05	Lab Services	4205	Estate related lab services (e.g. fertilizer test, soil test, foliar test etc.).
			06	Land Surveying	4206	Land surveying services.
			99	General	4299	Estate related service not mentioned in other category code.
	300	Vehicle Related Service	01	Agricultural Vehicle	4301	Maintenance and repair of agricultural vehicles.

			02	Non-Agricultural Vehicle	4302	Maintenance and repair of non-agricultural vehicles.
			03	Rental of Agricultural Vehicle	4303	Provide rental services for agricultural vehicles.
			04	Rental of Non-Agricultural Vehicle	4304	Provide rental services for non-agricultural vehicles.
			99	General	4399	Vehicle related service not mentioned in other category code.
	400	Admin Related Service	01	Office Equipment	4401	Maintenance and repair of office equipments.
			02	Air Conditioner	4402	Maintenance and repair of air conditioners.
			03	Electrical Appliances & Systems	4403	Maintenance and repair of electrical appliances and systems.
			04	Plumbing	4404	Maintenance and repair of plumbing systems.
			05	Printing	4405	Provide printing services (e.g. type setting, binding, laminating etc.).
			06	Security Control	4406	Provide security control services.
			07	Cleaning	4407	Provide cleaning services for buildings, mills etc.
			08	Manpower Supply	4408	Provide manpower (foreign / local) supply services.
			09	Advertisement	4409	Provide consulting services for advertisement (electronic / print media).
			10	Training Provider	4410	Provide training services.
			11	Office Equipments Rental	4411	Provide rental services for office equipments.
			12	Freight Forwarder, Packager & Mover	4412	Provide logistical services (e.g. customs clearance, packaging, moving etc.)
			13	Event Management	4413	Provide event management services.
			14	Insurance	4414	Provide insurance services.
			15	Office Equipment Disposal	4415	Provide disposal services of office equipment.
			99	General	4499	Administrative related service not mentioned in other category code.
	500	IT	01	Server	4501	Maintenance and repair of server.
			02	Printer	4502	Maintenance and repair of server.
			03	PC & Laptop	4503	Maintenance and repair of PC and laptop.
			04	Network Infrastructure	4504	Design, configure, cabling and other related works for network infrastructure (e.g. Cisco etc.).
			05	System Application	4505	Development and maintenance of system application (e.g. security system, web-based solutions, ERP system etc.).
			99	General	4599	IT related service not mentioned in other category code.
	600	Business Process & Accounting	01	Financial Services & Review	4601	Financial-related consultancy services.
			02	Taxation Services & Review	4602	Taxation-related consultancy services.
			03	Legal Services & Review	4603	Legal-related consultancy services.
			04	Human Resources Services & Review	4604	HR-related consultancy services.
			05	Marketing Services & Review	4605	Marketing-related consultancy services.
			06	Property Sales, Purchase & Valuation	4606	Real estate negotiator, valuator, broker services etc.
			99	General	4699	Business process and accounting related service not mentioned in other category code.
